Summer Workshop

# RELEASE YOUR CREATIVE GENIUS!

An Amazing Digital Design Adventure

Ages 15- 21

**theartyard  
project inc**

The ARTyard Project Inc., Summer Workshop is a 501C3 non-profit company established to help artists work -smarter.

# Digital Storytelling, Graphic Design, A/V and Game Design = STEAM

Participants get to mix their love for creativity and technology by designing video games and digital storytelling. At The Artyard Project Summer Workshop we take digital design to the next level of fun.

The ARTyard Project Summer Workshop is supported by some of the best technology professionals in these evolving industries.

Chandler Innovation Center  
249 E Chicago Street,  
Chandler, AZ 85225

**theartyard  
projectinc**

The Artyard Project Inc., a 501c3 nonprofit organization established in 2012 by educators and artist to nurture entrepreneurial skills in emerging artist across medium while providing training in the technology arts. We promote artistic express and cultural dialogue by showcasing diverse disciplines in an organic membership based environment.

In a creative, collaborative community, The Artyard Project Inc., promotes career based technology education, training and exposure to design process in digital game development, digital storytelling, A/V, and graphic design. As digital technology continues to evolve experts project that more than 70% of the work force will be comprised of jobs in technology, many of which doesn't exist yet. Our workshop participants engage in a number of hands on activities and learn new skills in a fun and engaging atmosphere.
